LOGO CONCEPT

商標設計理念

'A union of two cultures, two hands join in friendship, two hearts entwine in love,
all bound together in a happiness that is balanced, eternal and true.'

We bring all of our Seng Fung values to Entwine, reflected through the cursive 'SF' and the many other personal meanings expressed through our Entwine logo.

Woven in our DNA is the essence of Chinese and Western culture. Based on the 'Chinese Knot' it represents auspicious values of vigour, harmony and unification. Whilst the two coupled hearts and infinity elements exemplifies Western tokens of balanced eternal love.

“兩種文化因包容而結合、兩手因友情而相牽、兩顆心因愛情而相連，
融合在平衡、永恆、真實的幸福當中。”

我們將盛豐珠寶的價值傳承到 Entwine，通過草書 "SF" 和獨特深層意義在 Entwine 的標誌中體現。

我們的基因包涵著中西文化精髓。“中國結”代表著活力、和諧、統一的吉祥意義。而兩顆心的形狀和無限符號元素的設計，體現了西方永恆的愛與智慧。
